Dear Brothers and Sisters,

On behalf of The Muslim Families Network Society, I would like to thank you for your generous contributions. Your commitment to helping our community is sincerely appreciated. Many needy families have benefited from your thoughtfulness. Last year, we were able to help 160 less fortunate families through MFNS financial assistance program, gift certificates/vouchers and food hampers. May Allah swt reward you for your kindness and consideration.

Each year our organization continues to advance its mission of providing aid to our Brothers and Sisters in need. Through our programs, we have tried to change lives for the better. The goal of our organization is to continue to make a difference throughout the year with the help of supporters such as you. This year, from January 2008 to August 2008, we have already supported 200 members of our community, this increasing need forces us to work harder to achieve our goals. We will continue to seek improvements in our community by working together.

Thanks again for your generous support and May Allah swt shower his blessings on all of us.

Best wishes,

Mrs Idrees A khan
